Of the many difficulties faced in publishing a yearbook, the greatest is finding a theme—a flavor if you will—something used to relate all the year's events and tie them together to be meaningful. How can a football game be related to an English theme; a student body election to a sock hop; or a physics experiment to a Homecoming Dance? The answer lies in the memory of all these things. But it is difficult to find a satisfactory definition for memories. Webster calls them recollections or remembrances of past experiences or impressions. Also they are recollections of our intangible inner feelings toward life; they are vivid visions of outstanding moments; reminiscences which relish our present life and which will soon fade into obscurity.

As our year draws to a close, our experiences draw to a close. For some they are merely discontinued for a few months, but for others it means an end to the amazing high school days forever.

## Foreword

In the pages that follow, we hope to retain in the tangible form of words and pictures a memory of some of the palatable experiences and impressions of the best years of our life — our years at Franklin County High School. There is no doubt that as you turn each page your interest will mount and your memories will all come back to you.

These years, like ice cream, are rich and filling— rich with the wonder of learning big and new things . . . filling because of the millions of delightful things that have to be crowded into each day . . . and now this book is yours to love and cherish as a part of your life . . . that can only be lived once and then treasured forever as one of "Our Ice Cream Years in the Days of Our Youth", soon to melt away, yet always to be savored as the flavor lingers on.

This year, like ice cream, has been rich and filling--

Most of the school hours at Franklin County High School are spent in the classroom, studying and acquiring knowledge. Class activities, however satisfying to the pupils, cannot take the place of activities associated with pupil organizations. Every pupil is given the opportunity to participate in activities in which he can develop himself to the limit of his abilities.

Through school-sponsored organizations, clubs, music, and athletic programs, the pupil gains the qualities of leadership, "followership," and fair-play in order that he may be a responsible citizen of his community.

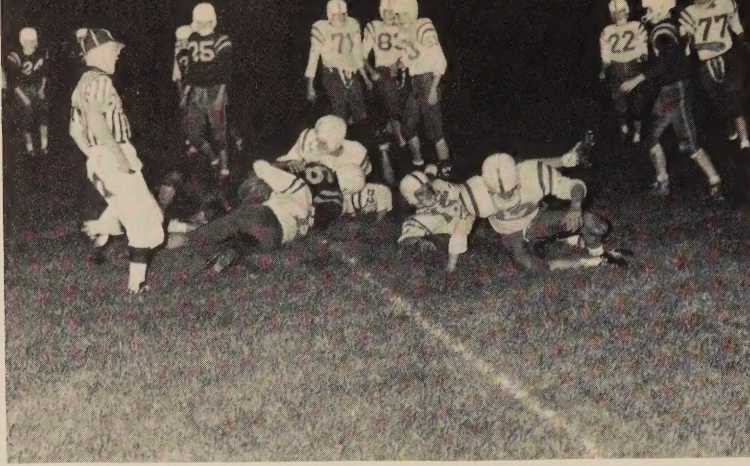

Stuart Fleishman, president of Hi-Y, asks the blessing at lunch as a part of the Hi-Y program for the year.

Mr. Law congratulates Charles Davis for his outstanding salesmanship during the magazine sales campaign. Charles became high salesman for the second consecutive year. Susan Lynch, George

Board, Penny Tyree, Joe Frith, Mary Lee, Cabell Angle, Donald Barnhart, Gayle Martin, and Stella Stanley were high salesmen for each day.

The strong defensive play of the Eagles brought another victory to our school by defeating Drewry Mason 19-0. Many of the players pictured will be the core of the team next year.

On November 1 about 80% of the students voted in the mock election, sponsored by the Social Studies Department. The election was conducted in a similar way to that of electing national officials, using similar registration blanks and ballots.

Students from the history and government classes were chosen to act as registrars for their magisterial district. The requirements for registering were a literacy test and 2¢ poll tax.

Students learn to master both sport and sportsmanship in a close softball game as the girls cheer for their favorite team.

## Dedication

We, the members of the "Amino" staff, feel that the dedication of our yearbook is one of the most important decisions that the staff members have to make. Much thought and time is given to the decision in an effort to make it the decision which we feel each individual student would make.

This year, for the first time in the history of the "Amino", we have chosen two individuals upon which to bestow the dedication. These individuals give countless hours of hard work and attention to the many students with which they came in contact. We feel that they are genuinely interested in young people and have a deep desire to guide them in the right direction. They are never too busy to listen, understand, and give help or advice to the student who needs it. They always have a smile and friendly "hello" for everyone they meet. While remembering all these things, it is in deep appreciation for their kindness and love that we fondly dedicate the "1961 Amino" to Mr. and Mrs. C. Lee Morris.

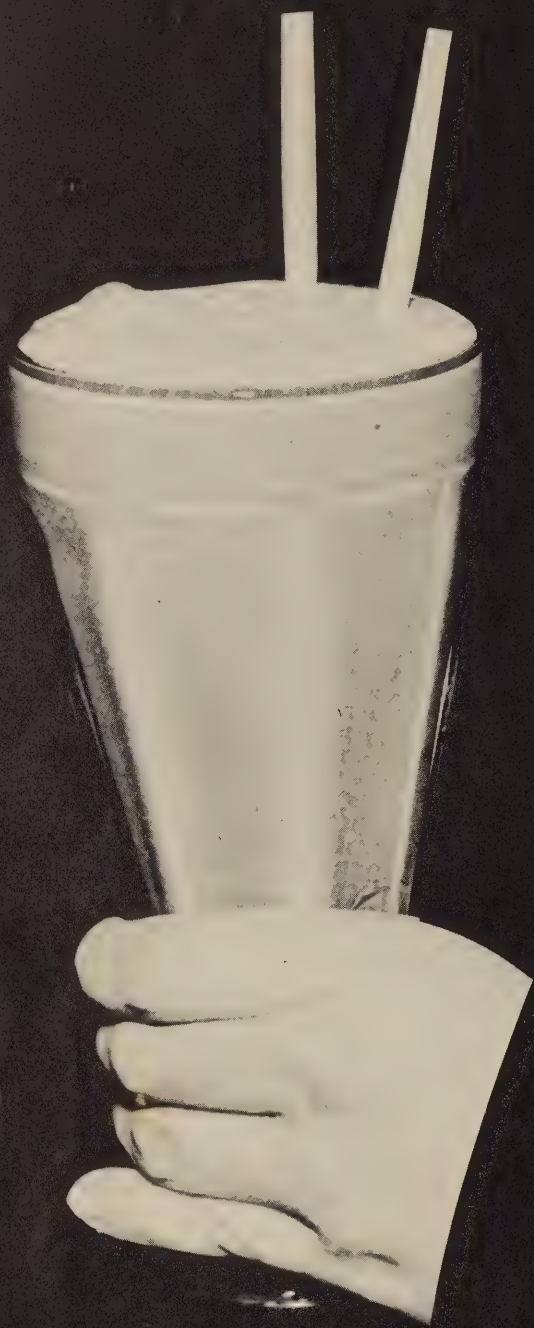

*Best Wishes  
Mr. Morris*

Mr. and Mrs. C. Lee Morris

As effervescent as a chocolate milk shake. These are the members of the administration of Franklin County High. Through the year our administration works with us and gives us much helpful advice on many occasions. The labors of our high school administration are to instruct, to influence, and to guide young people; to present a standard of intelligence and morality for these formative years and to indicate the correct way of living.

Varied and often difficult duties fall to these adults as they work day after day in charge of 1200 students. Our mental, physical, and spiritual growth are supervised by them; our activities are sponsored by them; and our privileges are granted by them.

They are instructors, educators, and advisors to F.C.H.S. They are a vital part to our school year. As we look back over this Ice Cream Year in the Days of our Youth, we can attribute much to the attainment of our faithful faculty.

*Administration*

During 1960-61, Mr. Harold W. Ramsey, superintendent of Franklin County Schools, fulfilled his duties to meet the needs of an expanding school system. He planned with the school board and various faculty members the many matters coming before them throughout the year. He also interpreted the needs of Franklin County Schools to the public through numerous articles and speeches.

Mr. Harold W. Ramsey, superintendent, and Mr. T. A. Hartley, director of public instruction, discuss plans to present to the Board of Supervisors for a new building program.

Mr. Bruce Kent, principal of Franklin County High School, is responsible for seeing that the school meets the educational needs of Franklin County.

Mr. Kent's work is divided into three phases. The first is the planning and organization of the staff and the educational

program, the second is the day to day administration of this program, and the third is the co-ordination and balance of all activities going on in the school.

Mr. Kent also has many day to day responsibilities which include conferences with students, parents, and teachers.

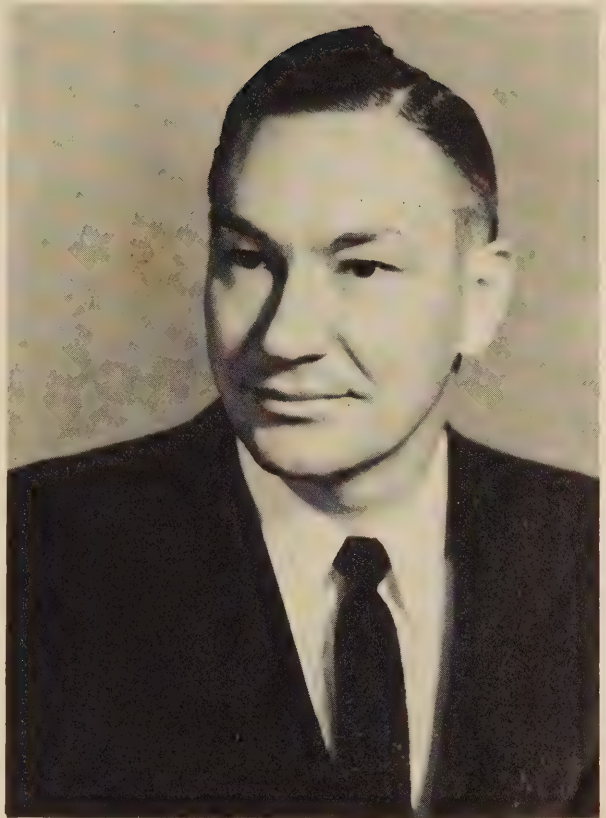

# Business Manager

Mr. Cecil Doss, our school business manager, is responsible for all financial and business affairs connected with the school.

Many of his contributions to our high school are the management and operation of a smooth running cafeteria and a well stocked book store to meet our numerous daily class needs.

Through many long hours of work Mr. Doss sees that we have the best and most available with the funds we have to spend.

Mr. Cecil Doss  
Business Manager

Mrs. Mickey Morris and Mr. Morris Law discuss the outcome of the new testing program.

Mr. Law and Mrs. Morris, guidance directors of FCHS, have many duties to perform throughout the year.

They point out to eighth graders the opportunities that future school experiences offer when they begin to plan their high school program. This aid in scheduling is the first contact students have with the guidance program.

College and placement guidance is offered as students near the close of their high school careers. The advisors aid students in choosing a college to fit their needs after records and aptitude test scores are reviewed. They also help students determine what jobs they may be suited for upon graduation from high school. The guidance department is concerned with the development of every student into an educated, well adjusted citizen.

Miss Holland and Mr. Kissam take advantage of the delicious refreshments served at the Junior-Senior Prom.

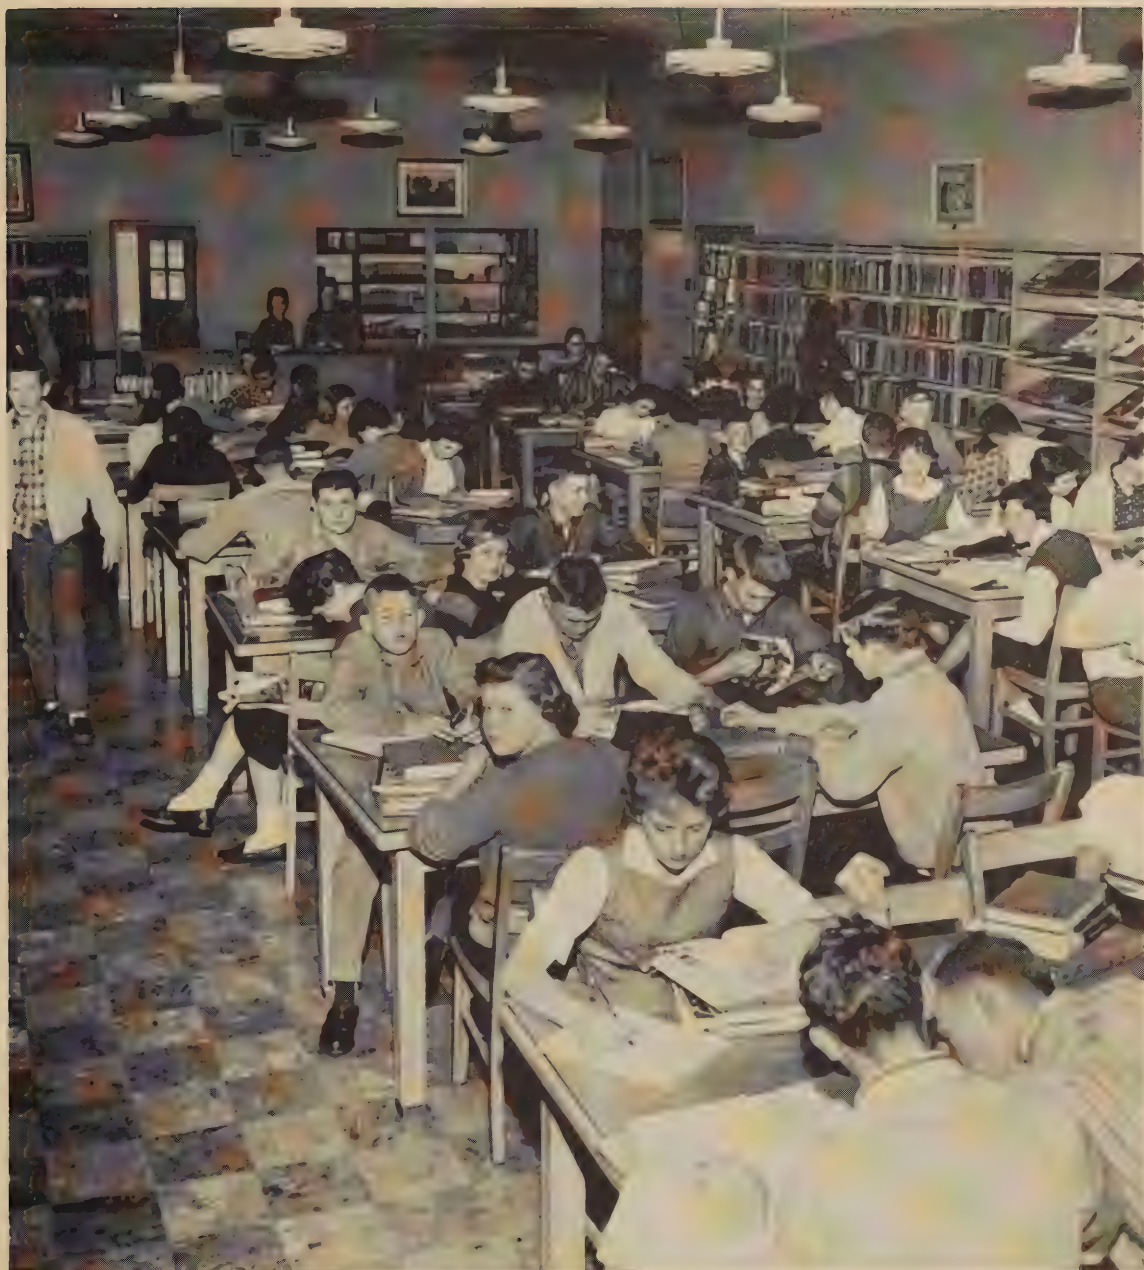

As IMPRESSIVE as a lime float — These are the people of Franklin County High. The faculty, administration, and students alike had all of the enthusiasm possible, in class and out. Our leaders were always ready to praise, discipline, and urge us on to higher goals. Our friends learned we were eager to share their tears, laughter, conversations, and worries. These were the people that will impress us as we reminisce on our Ice Cream Year, the Days of Our Youth.

*Classes*

## Library facilities aid educational research.

Colorful bulletin boards and imaginative displays stimulate students to use the library more efficiently. Over 280 students take advantage of this veritable "information service" daily.

The majority of those who use the library facilities do research, gathering materials from the periodical shelves or from any of 4,103 non-fictional books. Students

in search of pleasure reading choose from 1,384 exciting fictional or biographical novels. In addition to reading matter, the library provides films, slides, records, and tape recordings for classroom use.

Two librarians and twenty members of the Library Club are always on hand to answer questions, locate materials, and generally aid the student.

Students take advantage of various language courses.

Mrs. Alexander's Junior English class studied intently on "The Scarlet Letter." This classic proved to be a favorite of all the students.

Three languages taught at FCHS are English, Latin, and Spanish.

The English divisions are general, academic, and business. In these classes students strive to perfect their knowledge of spelling, punctuation, and vocabulary through never ending themes, book reports, and term papers.

Spanish students tackle challenging vocabularies and translations. These are used to improve their grammar and punctuation in the stories they read during the year. Interesting traditions are also studied.

While Latin students learn a great deal of translation, they enjoy making a Roman calendar and studying many of the Roman legends. They are stimulated by films on Roman life and culture. Many Roman customs are also learned through studying the life of Julius Caesar.

David Newcomer, Selma Akers, Kay James, and Sue Davis dress as gay señors and señoritas to portray the Spanish customs they have learned in studying Spanish.

Mrs. Thurman illustrates to her class how "Latin lives today" through short Latin phrases that are used daily.

Experimentation is key word in math and science classes.

Mr. Divers demonstrates the law of parallel forces to Bob Whitlow, Mary Ellen Foster, Richard Newbill, and Carolyn Hundley.

Cathy Buchanan, Becky Cooper, and Stella Stanley prove theorem 24 for Miss Prillaman's plane geometry class.

Many students are not only surprised to find the many uses for science and math in our everyday living, but also find them to be fascinating classes.

These departments endeavor to stimulate thought, to develop the scientific attitude, and to encourage experimentation. They inspire students to seek careers in the lucrative field of scientific endeavor, and to gain an understanding of the part that science and math play in our modern world.

After completing these courses, we go forth with a great knowledge of the seemingly everyday things around us.

Mr. Flora shows Bobby Hall, Ann Matthews, Irene Young, Earlene Ferguson, and Marie Bousman how the pulley changes the direction of a force applied.

Linda Dudley traces the circulation of the blood through the human body for class members.

Mrs. Flora explains the fundamentals of sign numbers to one of her first year algebra classes.

Mr. Doss tells his class of the value of stocks and bonds and the dividends of investments made wisely.

Social Studies includes American history, world history, civics, government, economics, and world geography. In order for a student to graduate he must have completed two courses in social studies. These are Virginia-United States history and government. These classes offer a better understanding of government and history by studying and gaining knowledge of the past and present.

Connected with these subjects were many purposeful activities: a mock presidential election, book reports, oral reports, and class discussions.

Class discussion topic included current affair as well as past events. The news magazine "Senior Scholastic" and the weekly "Current Events" provided a background for understanding the major issues of today.

## Social Studies make beneficial, dependable citizens.

Louis Jamison, Paulina Prillaman, Bill Woody, Haywood Wray, and Diane Belcher present a skit on colonial customs and costumes.

Mr. Callaway explains the techniques of good salesmanship to Peggy Jones and Rebecca Angel.

## Distributive Education offers on-the-job training.

Ray Boone demonstrates how a business meeting is to be conducted.

The purpose of Distributive Education is to promote an interest in practical retailing. The objective of Distributive Education is to develop leadership and good selling technique.

Members of the Distributive Education class work at local retail establishments. Here they find ways to promote a better working relationship between customers and employees and to acquaint themselves with opportunities and advancements in retailing.

To fulfill its objectives, D.E. members attend district Distributive Education conventions, district club meetings, and the state Distributive Education conventions.

Miss Hodges' shorthand students strive for speed and efficiency in learning symbols necessary for dictation.

The skill of typing comes only from hours of practice. One of Mrs. Cooper's classes proves that point by taking speed drills.

The rhythmic click-clack of typewriter keys was one of the most familiar sounds to be heard as one approached the business education department on the second floor. Besides the popular typewriting classes, many students chose courses in shorthand, bookkeeping, and office practice.

From the courses offered at Franklin County High School, students developed skills for personal use at home and at college and received training for future efficiency in the business world. Many students practiced what they had learned by assisting teachers and working for the **Eagle** and **Animo**.

Courses in business enable students to acquire

Mrs. Bowman's students prepare for a future career in the business world with a course in bookkeeping.

Mrs. Clyde Turner teaches these girls the basic fundamentals of sentence construction and punctuation in her Business English class.

skill and fundamentals of office practice.

Mrs. Gardner assists Elaine Young, Diane Turner, Sandra Skinnell, and Evelyn Trent in selecting drapes to co-ordinate the color scheme of their home.

The fashionable Home Economics department on the second floor provided a home-away-from-home for the students enrolled in the Home Economics course. The girls gained new skills in cooking, sewing, care and repair of clothing, child development, and home management.

A large number of students took advantage of the vocational training courses offered at FCHS during the past year. The boys gained knowledge in such classes as woodwork and metalwork. These students achieved mechanical skill in the vocational classes and at the same time prepared for future vocations.

## Home Economics courses produce future homemakers.

A Christmas luncheon is enjoyed by Norma Bouseman, Pat Green, Karen Kiser, Mary K. Martin, Betty Nolan, and Darlene Willard. The girls prepared the meal during Home Ec. class with the guidance of Mrs. Gardner.

Mr. Jamison explains to freshmen a chart on the necessary requirements for a balanced ration in feeding different types of livestock.

## agriculture students gain practical knowledge.

Mr. Jamison and Mr. Williams instruct vo-ag students in welding a farm gate of metal. Woven wire is attached to the frame after it has been welded securely.

Mr. Kissam helps these boys lay out projects for Christmas programs and parties.

SENIOR OFFICERS AND HOMEROOM PRESIDENTS—Bill Shires; Perry Adcock, vice-president; Carrie Holland, secretary; Carolyn Clements; Joyce Tosh; Bertie Meador; Danny Farris; Jerry Adcock; C. B. Reynolds, president.

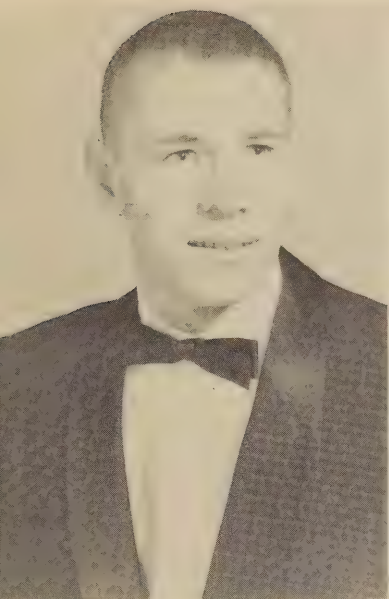

As we come to the end of our "Ice Cream Year" at FCHS, we look back with pride and satisfaction. It has been a year with a full quota of fun, activities, and excitement. From the senior class came the leaders of school organizations, athletic teams, and honoraries.

The busiest and most important year in

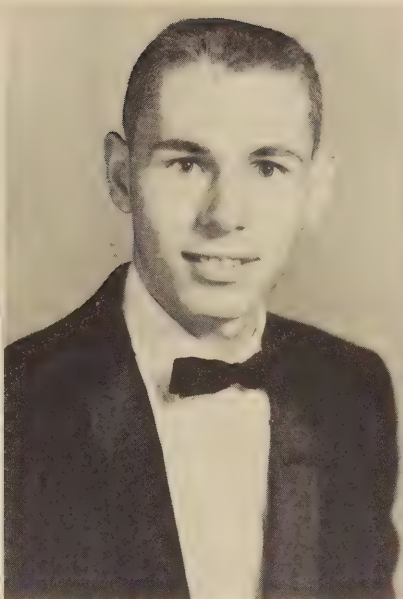

their school career, 1960-61 for the seniors has many pleasant memories of ball games, plays, clubs, homecomings, proms, and yes, even classes and homework.

On June 2, 222 seniors, full of hopes and ambitions, thinking about the past years, the present rushing days, and the unknown future, reached their goal—graduation.

**JUNIOR OFFICERS AND HOMEROOM PRESIDENTS**—Rolfe Myers; Bill Alexander, treasurer; David Price, vice-president; Gloria Fisher; Nancy Willard Hodges, secretary; Audrey Hoy; Linda Worley; Patsy Chitwood; and Carey Anderson, president (not pictured).

The Junior Class experienced an eventful year during 1960-61. The routine of school life was enlivened by happenings which the members of the class will not soon forget. Excitedly the juniors chose class rings, ushered for graduation, and strived for excellence—both scholastically and intellectually.

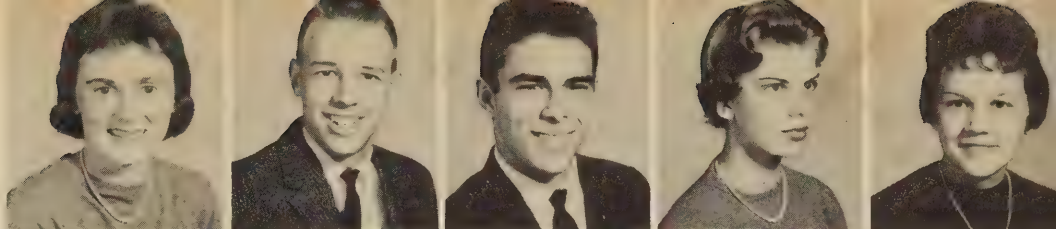

Meantime class elections were held, and

the winners: Carey Anderson, president; David Price, vice-president; Nancy Willard Hodges, secretary; and Bill Alexander, treasurer; began the direction of class activities.

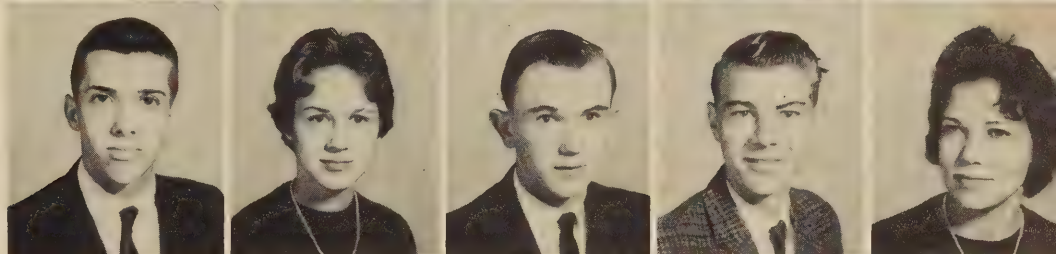

The Junior-Senior prom on an evening in May was the unforgettable "Ice Cream" event of the year.

Jim Joplin, Emory Crum, and Carey Anderson try hard for a rebound at the Fieldale game.

Butch Jarrett leads a pack of "Little Magicians" around right end and scores 6 points for the Eagles.

The newly elected J.V. cheerleaders add much color and gaiety to the Homecoming parade. David Price and Bobby Tyree had the honor of chauffeuring these young ladies.

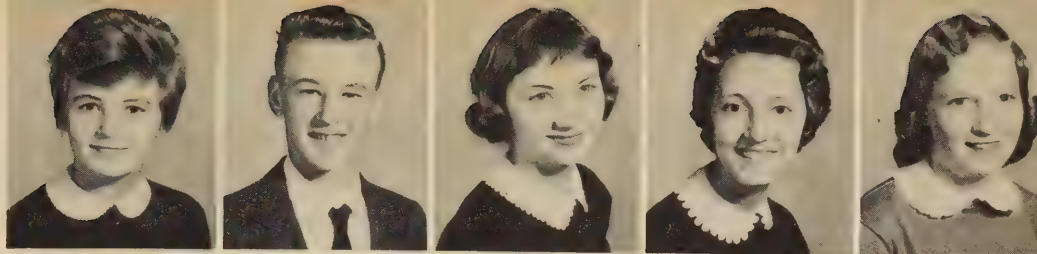

SOPHOMORE HOMEROOM PRESIDENTS—Ronnie Law, Edsel Thurman, Jesse Webster, Donald Barnhart, Shelia Cundiff, Phyllis Guilliams, Carol Scott, Sue DeWitt, Margaret Mason.

The Sophomores, with enthusiasm as their key word, can look back on an excellent year. Everyone made many new friends from all over the county since this is the first time when the sophomore class was to-

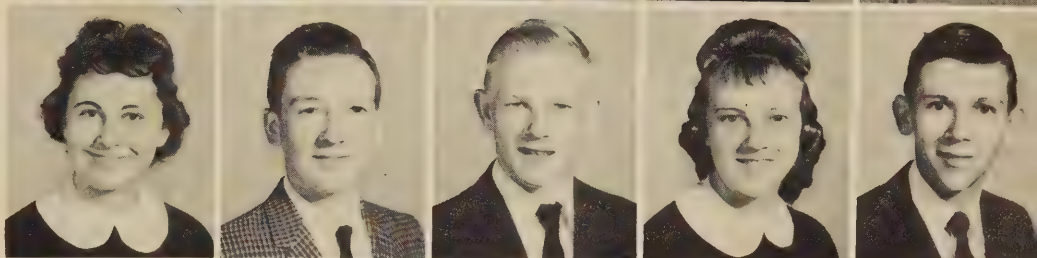

gether as a group. This class has now become apart of Franklin County High School and will carry its spirit and tradition with them.

FRESHMEN HOMEROOM PRESIDENTS—Sandra Beard, Frances Hix, Candy Menefee, Jack Bumgardner, Vivian Washburn, Calvin Hurt, Sue Sigmon, Paige Law.

New, New, New!! That has been the pass word throughout our freshman year. New subjects, teachers, clubs, friends, and experiences.

Also new troubles and worries developed

as decisions were made and brains were attacked by biology, algrebra, and Latin.

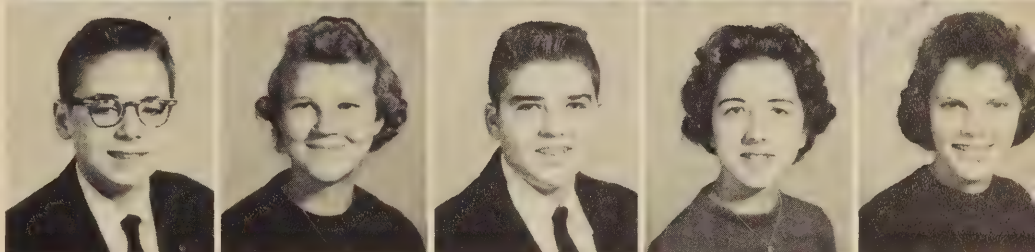

Although we will have many more exciting experiences as we go through school we will never forget our freshman year.

EIGHTH GRADE HOMEROOM PRESIDENTS—Barbara Burt, Jimmy Mills, Jimmy Miller, Jeanette Arrington, George Hunt, Virgil Goode, Bill Woody, Al Woody, and Wayne Frith (not pictured).

As newcomers to Franklin County High, the eighth graders felt somewhat out of place for a while. However, as the months passed, they grew familiar with the crowded halls, tardy bells, and examinations and became a vital part of the student body. They

proved their powers by doing good academic work, by co-operating fully with their student government and classroom teachers, and by taking their part as useful citizens in the high school program.

The potential of next year's J.V. team fight hard to capture first place on their intrasquad team. The interest shown by these boys indicates a good future varsity squad.

As filling as a chocolate nut sundae. These are the activities of Franklin County High School.

Activities in school enable us to have fun and to enjoy the social phase of school life. They teach us to accept responsibility and to work co-operatively with our fellow students, whether it is working on a float, sponsoring a bake sale, presenting a school play, or competing with our friends for an office or honor. These associations provide the participants with the fellowship that is so important to young people.

The opportunities of activity are unlimited, as there is a place for everyone in the organizations of FCHS. The intellectual and the athlete can each fulfill their interests in at least one of these clubs. Here we may discover where our talents and destinies lie, for this is the testing ground for our abilities during "Our Ice Cream Years, in the Days of Our Youth."

*Activities*

The major purpose of the F.T.A. is to present to students interested in teaching an insight of the problems and opportunities in the field of education. Through discussions, films, projects, and outside activities, members are given a chance to explore the possibility of a teaching career.

Under the leadership of Mr. Wine, the Future Teachers hope to achieve an annual project day; joint meetings with other clubs in the district; visit teachers' colleges; send delegates to the state F.T.A. convention; help failing students; and attend a faculty meeting.

Officers of the F.T.A. were Dennis Walker, president; Julia Lovell, vice-president; Peggy Lynch, secretary; and Michael Taylor, treasurer.

The Student Council is the representative assembly of the Student Cooperative Association of Franklin County High School. All homerooms are represented on the council by two homeroom officers. The council is the governing body of the projects, activities, and programs undertaken by the entire student body. The council assists in the daily activities of the school by providing a hall monitoring service; it participates in community projects by being a member of the local United Fund; it enables the students to work actively in promoting school spirit and projects by its annual magazine sales campaign and by sponsoring buses to athletic contests; it gives an opportunity to develop leadership by allowing student officers and committee chairmen to carry on the responsibility for leadership in the group.

The Student Council enjoyed a most successful year under the leadership of Richard Newbill, president; Perry Adcock, vice-president; Mary K. Martin, secretary; and Carrie Holland, treasurer.

"To record the best of the year 1960-61" was the goal of the Annual staff as it endeavored to unfold the main events of the school year in the pages of this yearbook.

The Activities Room was the home of the 1961 Animo. Each day during second period, seven staff members and Mrs. Meade, sponsor, met as a class to keep the details of the operation running smoothly.

After school hours the other thirty mem-

bers of the staff helped perform the huge tasks of selling advertisements, writing copy, and identifying pictures. On picture-taking days the faculty cooperated with the staff by allowing some students to miss classes in order to help with taking individual and group pictures.

After countless hours of hard work, worry, planning, and fun, the Animo staff has achieved its goal—to bring to you the 1961 "Animo."

## character, and stimulates achievement.

The purpose of the Beta Club is to encourage effort, to promote character, to stimulate achievement, and to cultivate leadership qualities.

To become a member of this organization is not simply to join another club. It means that a person has earned by faithful work and acceptable behavior the honor of being among the largest group of young Americans in twenty states organized for the encouragement of scholarship and the development of good citizenship.

Its objectives are to contribute money to the Beta Education Fund and to School Chest Drive, to make a gift to the school, to play Santa to a family at Christmas, to secure blood donors for the Red Cross Blood Mobile, to charter a bus to go to state convention in Richmond, and to present a skit at the convention.

The Beta float based on the creed of their club won second place in the Homecoming Parade.

## Cheerleaders have inspired the Eagles to win

One of the greatest assets to the athletic department was the school spirit created by the cheerleaders. At home games or at out-of-town games the vigorous spirit displayed by students and cheerleaders alike was an inspiration to the members of the Eagle teams.

However, the unfailing support of these nine girls did not end with the blowing of the final whistle. They spread their contagious spirit throughout the school by con-

ducting pep rallies and by displaying attractive posters on bulletin boards giving the time and place of Eagle games. They also sponsored sock hops after home games, and organized the Homecoming dance.

New uniforms were purchased for the cheerleaders by the school. The money to these uniforms came from profits made on the Homecoming dance and sock hops of last year.

many victories.

The cheerleaders riding on their colorful red and white homecoming float give yells as they parade around town.

Captain Kitty Cooper discussed the schedule of the cheer squad with sponsor Miss McDowell.

Kitty Cooper and her enthusiastic assistants cheer the varsity squad on to another basketball victory.

With the advice of Miss McDowell, Co-captains Margaret Mason and Robin Morris led the newly organized J.V. cheerleaders.

For the first time in the history of Franklin County High School, the 1960-61 junior varsity football and basketball teams had cheerleaders of their own to support them. The cheerleaders created more interest and more school spirit for junior varsity games.

The junior varsity cheerleaders had activities of their own but also joined the varsity squad in sponsoring the annual Homecoming dance in November.

## Piano Club developes personal talents.

The Piano officers were Carolyn LaPradd, treasurer; Sara Ann Culler, vice-president; and Frances Hix, president.

Piano instruction, on a private tuition basis, is offered to all students. FCHS trained pianists are placed in many of the county and town churches along with various community organizations. The club emphasizes the importance of music in the school and in all phases of life, strives to promote the appreciation of good music, and encourages the development of a most worthwhile and personal talent.

The Piano Club hopes to eventually place an organ in our school auditorium. With the help of local merchants, private contributions, and the local school board, the club purchased a grand piano which is an added help to all functions held in the auditorium.

## F.F.A. helps students finance themselves.

Miss Shirley Altice reports on the accomplishments for the past year and the program for the coming year at the annual FFA, FHA banquet.

The F.F.A. is an extra-curricular activity, being a definite part of the school curriculum. Among other things, members learn through active participation how to conduct and take part in a public meeting, to speak in public, to buy and sell co-operatively, to solve their own problems, to finance themselves, and to assure civic responsibility. The foundation upon which the F.F.A. is built, includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

The Franklin County Chapter of the F.F.A. is a small part of a national organization of, by, and for boys studying vocational agriculture in public schools. No national student organization enjoys greater freedom of self-government under adult counsel and guidance, than the F.F.A.

The Jr. Tri-Hi-Y is a fellowship of ninth and tenth grade girls, who are committed to Christian ideals and purposes in their daily living in home, school, and community, each with a common loyalty to Jesus Christ as Counsellor and Friend.

The Jr. Tri-Hi-Y co-sponsors Wednesday morning devotionals by county ministers over the inter-communication system, the Easter assembly, and a float in the homecoming parade.

The club prepared Thanksgiving and Christmas baskets for a needy family, presented Bibles to ninth and tenth grade homerooms, purchased a bulletin board for the cafeteria lobby, purchased a filing cabinet for club materials, contributed to Y.M.C.A. Extension Fund and Y.M.C.A. World Service Fund. The club also sent delegates to the District meeting in Bedford, Model General Assembly and Blue Ridge.

## Alpha Tri-Hi-Y was second

To become an ace club a Tri-Hi-Y must meet certain standards: national affiliation; have an adult sponsoring committee; present school-wide and community services; report to district Y.M.C.A. office; contribute to district Y.M.C.A., contribute to World Service Fund, and set up a club point system.

While working to become an Ace club the Alpha Tri-Hi-Y carried out several local activities. Christmas and Thanksgiving baskets were given to a needy family, ten dollars was contributed to the school chest drive, and twenty-five dollars was presented to the school. The club also co-sponsored Wednesday morning devotions.

The Library Club is a service organization that gives assistance to teachers and students in the high school. Requirements for membership consist of a satisfactory course in Library Science and an academic standing that will permit the use of study hall time for library work. The members serve as student assistants in the library and perform much routine library work, thus freeing the librarians for more professional duties.

At the present there are twenty members, chosen on the basis of their training, dependability, interest in books, and their willingness to render service to the school.

# Franklin County High School Varsity Club.

The Varsity Club is composed of all let-termen who have participated in varsity athletics. The goals of the club are the promotion of good sportsmanship, development of character, and promotion of a better athletic program.

Projects accomplished this year were sponsoring sock hops at home games and helping the football players with insurance payments.

Each year new members must take part in the club initiation. Varsity Club activities are brought to a climax with an annual outing.

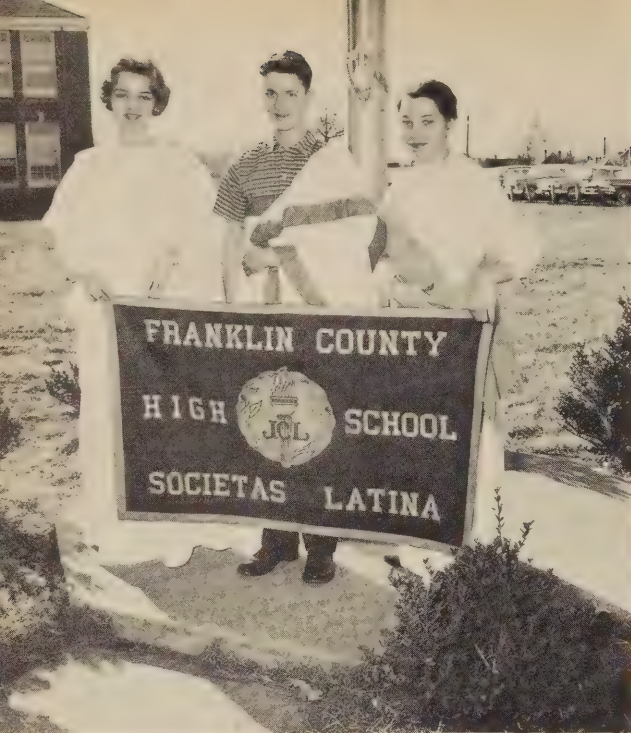

Officers for the Varsity Club were Jim Joplin, vice-president; Butch Jarrett, president; Jerry Adcock, secretary; and Coach Richards, sponsor.

Latin students, members of the Latin Club, are also members of the National Junior Classical League. This enables them to gain a more thorough knowledge of Roman life, history, and literature, to understand better the practical and cultural value of Latin, and to interest other students in the classical languages.

The FCHS Chapter is also an active member of the State J.C.L. Federation.

The emblem of the Latin Club is a torch encircled with a laurel wreath. The colors are Roman purple and gold.

As a part of their initiation, new members of the Latin Club were required to attend school one day dressed as a typical Roman.

## Hi-Y encourages development of character.

The Hi-Y, a Christian organization for boys of high school age is affiliated with the National Young Men's Christian Association.

The purpose of the Hi-Y is to create, maintain, and extend throughout the home, school, and community high standards of Christian character. The platform of the Hi-Y is clean speech, clean sportsmanship, clean scholarship, and clean living.

Sponsored by Mr. Layman, the Hi-Y is in charge of the blessing given each day in the cafeteria. The club also sponsors the Homecoming festivities, and co-sponsors the Easter assembly.

Stuart Fleishman, president; Mr. Layman, sponsor; Bill Alexander, vice-president; Carey Anderson, secretary; James Clingingpeel, sergeant-at-arms; Rolfe Myers, treasurer; P. K. Gruver, chaplain; and Eugene Smith, reporter; were the leaders of the Hi-Y Club.

Los Gauchos is FCHS' club for students enrolled in the Spanish courses. Its main purpose is to foster and promote better understanding of the cultures found in the Spanish speaking countries. Dressing up in typical Spanish costumes, singing Spanish songs, and playing Spanish game assist the member in appreciation of this foreign culture.

Initiation week, covered-dish supper, and the Spring "Fiesta" are among the highlights that will long be remembered. In addition, Los Gauchos presented a family with a Thanksgiving and Christmas basket of food.

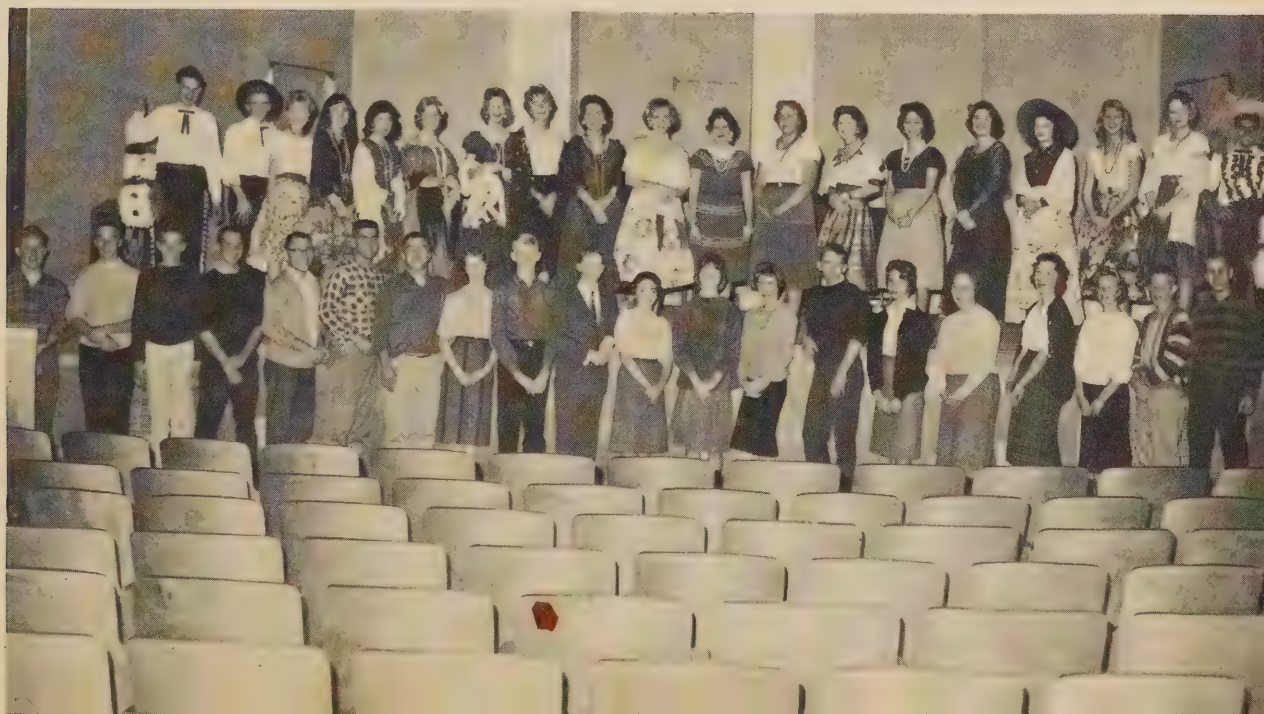

Selma Akers, the courageous Spanish bullfighter, and the victorious bull display the fact that the Eagles will defeat the opposing team.

F.H.A. officers were Brenda Reynolds, secretary; Kay James, song leader; Betty Meeks, 1st vice-president; Janet Peters, treasurer; Linda Bowling, president; and Audrey Hoy, 2nd vice-president.

F.H.A. helps to prepare girls for future homemaking. "Real and Lasting Values" was the theme this year.

The yearly program contained a different goal and project for each month. Each girl had an individual activity as well as participating in all group activities.

The Mother, daughter, Father, son banquet, which was one of the real highlights of the year, was sponsored by both the F.F.A. and F.H.A. Some of the other activities during the year were sponsoring a homecoming float and a Christmas float. The F.H.A. also adopted a needy family and prepared a Christmas basket for them.

Our school newspaper, "The Franklin Eagle", is published eight times during the school year by the thirty-five member staff. The staff's main objective is to keep the students well informed about happenings at school and in the county.

One of our newest features is a boy and girl "Personality of the Month."

The "Eagle" staff has sponsored bake sales and car washes, as well as depending on advertisement and student support in order to finance the paper.

The paper is headed by Carolyn Hardy and Danna Poindexter as co-editors. Judy Jamison serves as business manager.

Each year, "The Franklin Eagle" is entered in the annual Southern Interscholastic Press Association Conference in Lexington, Virginia. For the past several years, the "Eagle" has won an honor award.

Students produced the newspaper this year under the supervision of Danna Poindexter and Carolyn Hardy, co-editors; Judy Jamison, business manager; Peggy Love, circulation manager; Larry Basham, sports editor; and Miss Hodges, sponsor.

Judy Jamison, Bobby Dillon, Miss Hodges, Danna Poindexter, and Peggy Love put together the galley sheets for the special Homecoming edition of the "Eagle."

Senator McKinley, his family, and their friend, the General, attempt to solve the problem brought forth in the play.

The climax is reached as confessions were made and secrets were revealed which proved that "John Loves Mary."

## The Mask and Gavel promotes dramatic arts.

The members of the cast of "John Loves Mary" were Mike Taylor, Marilee Layman, Donald Barnhart, Ruth Gaye Craddock, Lea Towmes, George Sutherland, Larry Basham, Mary Vaughan Webb, Billy Shelton, and Bill Clements.

The Mask and Gavel Society was one of the first organizations at FCHS. Through the years, this group has presented a wide range of theatrical productions, including dramas, comedy, and musicals. In the Spring of 1960 the group won a "Distinguished" rating in the district one-act play festival; and presented the gripping 3-act court room drama "Night of January 16th." The past season the group presented a 3-act comedy, "John Loves Mary."

The purpose of this organization is to encourage active participation by students in the field of dramatic arts. Experience in acting, lighting, backstage and other production areas gives each student a deeper insight in this field.

The jury, selected from the audience, listened intently as the suspect's lawyer defends her in the drama, "Night of January 16th."

Eagle band members started their work in August, preparing for the marching season which began before school opened. Marching season included the football games, homecoming parade, United Fund Parade, Shrine Bowl and Christmas Parades, and guest band for Ferrum Junior College football game.

Concert season was under way when Karen Snodgrass made All-State Band. The Christmas program was the first appearance of the season, followed by night concerts and the State Band Music Festival, which was held at Franklin County High School this year.

## Band host to District Festival in March.

First period Choralette officers were Nancy Flora, president; Carol Ann Jamison, vice-president; Patsy Chitwood, librarian; Diane Mattox, secretary-treasurer; Shirley Hubbard, librarian; Brenda Mullins, robe custodian; Trudy Jones, reporter.

The eighty voice Choralettes enjoyed a rewarding year of learning and singing.

A full schedule provided the group the opportunity of singing for church and civic groups.

The Choralettes joined with the Glee Club in presenting Thanksgiving, Christmas, and Easter programs to add to the seasonal spirit of the school.

To climax the year the Choralettes presented a spring concert consisting of both secular and sacred numbers.

The Glee Club, under the direction of Mrs. Meade, strived to maintain a large repertoire of popular and sacred works.

Providing music for church groups, civic clubs, a Christmas pageant, an Easter service, and a concert were a few of the activities in which the group participated. During

the commencement season the Glee Club provided music for the baccalaureate service and the graduation exercises.

Four members of the Glee Club were selected to All State Chorus-West, which was held at William Byrd High School, Vinton, Virginia.

To prepare students for careers in the field of distribution through on-the-job training is the purpose of the D.E. Club.

Besides classroom training which helped them in their jobs, members participated as a club in many activities. Among these were contests with other clubs in the district, attending the district convention at Andrew Lewis High School, Salem, Va., entering a float in the Homecoming Parade, and sponsoring an employer-employee banquet.

D.E. Officers were Sandra Guilliams, reporter; Rebecca Angel, secretary; Ray Boone, president; Mike Arrington, vice-president; and Percy Furrow, treasurer.

The dancers seem to be in faraway places as they glide over the floor with their partners.

The elegantly dressed participants at the 1960 Junior-Senior Prom found themselves transported suddenly to a tropical island of the South Pacific. Amid the magic setting of Bali Hai at sunset, everyone danced to the enchanting music provided by the VMI Commanders.

The effectiveness of the setting, the floor show, and the enjoyment of the evening by everyone were all a tribute to the hard work and long hours put forth by the Class of '61.

The Commanders do a novelty number to add variety and enjoyment to the evening.

# Homecoming

Queen Carrie Holland

Homecoming Day, which was sponsored by the cheerleaders, was the most spectacular event of the football season. The organizations prepared gaily decorated floats which paraded through town that afternoon. First prize in the competition was awarded to the float sponsored by the Future Homemakers of America whose theme was "Victory For The Eagles."

The Eagles, following the suggestion of the F.H.A. theme toppled Jefferson's B team 41-0.

The crowning event of this fall highlight was the Homecoming dance with the appropriate theme "Autumn Leaves." Coach Henderson crowned Jim Joplin and Carrie Holland Homecoming King and Queen. Don Gates' orchestra provided music to complete an eventful day.

Members of the Homecoming Court were Susie Winesett, Betsy Clements, Carolyn Sink, Linda Bowling, Carrie Holland, Kitty Cooper, Frances Hix, Candy Menefee, Carolyn Hundley, Susan Moses.

At the halftime during the football game Jim Joplin, Football King, presents Queen Carrie Holland with a bouquet of red roses.

Kitty Cooper, Maid of Honor, is escorted into the crowning ceremony at the Homecoming Dance by Honor Attendant, Bill Shires.

AS DELICIOUS as a pineapple sundae are the events of our school year. Football, basketball, track, and baseball are the sports in which we participate. Football on the home athletic field and away drew cheering crowds in the early fall while basketball attracted large crowds in the gymnasium during the winter months. After a short rest from these two sports, track and baseball try-outs began in March. Track meets were held during the afternoon. Since it is a new sport at FCHS it has not as yet attracted large crowds, but it is gradually gaining popularity among the students.

The athletic field is converted into a baseball diamond during April and May for the night games under the lights.

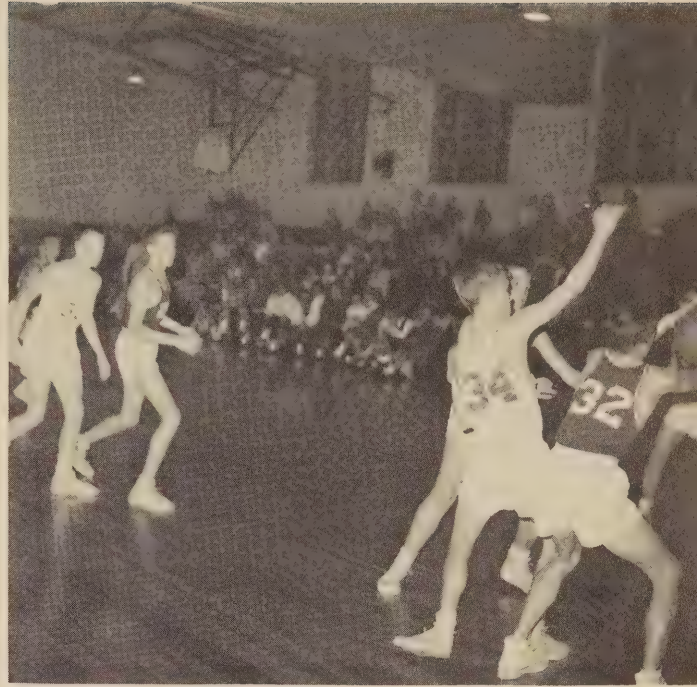

We will always remember these exciting games, all of the wins and loses, during "Our Ice Cream Year, in the Days of our Youth."

*Sports*

In the morning before school, on Saturdays, and almost anytime the gym was available, the eighth grade basketball team could be found practicing. Mr. Jack Henderson coached the team of approximately twenty-two boys.

The games were planned for Saturdays, but most of them were canceled because of snow and bad weather. Bassett and Ferrum contests were played on schedule with our team losing three out of four games. However, the team divided in two squads, the Rockets and the Bullets, and they played in several close contests between themselves.

The Rockets reigned victoriously over the Bullets during an inter-squad game.

## victories and defeats.

Coached by Bob Fitts, the Franklin Eagles had an 8-12 over-all record for the 1961 season.

Although the Eagles played hard, they had difficulty in being consistent in their playing. Since only three lettermen graduated, the team has high hopes for a much better season next year.

At the end of the regular season the team ranked fifth in the Blue Ridge District.

Coached by Mrs. Shirley Vaughn and led by Eunice Barbour, Faye Worley, and Linda Campbell, the girls' basketball team played eight games. Because of inexperience and the loss of last year's team, the squad was hurt; but the girls showed good sportsmanship throughout the season. Playing each team twice, the girls lost all eight games.

The Eagle baseball team finished the season with a record of thirteen wins and two losses. In the first two games the Eagles were overpowered by William Fleming and Fieldale, but the remainder of the season they proved themselves superior to their opponents.

Coach Richards, Danny Jones, and Daniel Frith, managers, and Coach Hodges helped the team to a very successful season.

this in mind that we sincerely say

"THANK YOU."

FAREWELL TO OUR ICE CREAM YEAR

Party of 10  
 to spend in the  
 future. I have written  
 having room for you  
 and this year room with  
 have some closer together  
 next year.  
 See ya!  
 Love Betty

It has been real nice having  
 a cd. with you. May you have  
 the best of everything in the  
 future.  
 Love ya,  
 Helen

You are  
 such a sweetheart to  
 have always stay that  
 long. You will surely have  
 enjoyed having your children  
 with you this year. Maybe  
 you can have the room  
 in person. Remember always  
 love you  
 Betty

Best  
wishes and  
lots of luck  
to a real sweet  
person. Remembers  
the senior class of '11.  
Love,  
Shirley Huston

My dear  
friend

Good luck to a real  
sweet person  
and good wishes

Really enjoyed  
my time  
year. Best of  
luck to a sweet  
girl

My dear  
friend  
I hope you  
are very well  
and happy  
and I hope  
you will  
be very  
happy  
and I hope  
you will  
be very  
happy

Dear Joyce,

I have enjoyed very much having  
homeroom and Physical Education with  
you this year. I hope that you see  
Tommy a lot this summer. We have  
had a lot of fun teaching each other  
over Johnny and Tommy this year.  
I enjoyed it very much. I hope that  
we have some classes together again  
next year. Remember this year before  
about Michael. Hope it will be  
next year. Hope it is someone just  
as nice as they were. We have had a  
lot of fun the last few years. I  
enjoyed knowing you these two years.  
I hope we see each other next year again.  
Have a good time this summer and  
I will see you next year.

Love always  
Lillian Jones  
"Johnny"

Dear Joyce.

It's been much fun knowing you. Don't ever forget Study Hall + Mr. Willis' pet names. We have had a lot of fun here with Yvonne at this old table. I hope you remember it. Hope if you sit here next year you remember these times, without tears.

It has been nice having Home Ec. with you, too. I hope you liked making your skirt and overblouse as much as I liked making my dress. (Even if we didn't get a prize.) Don't ever forget how to operate a sewing machine. It will help you when you get that Mrs. in front of your name. Don't forget how to make those biscuits, either. (Hubby might fuss.) I do hope we have some classes with you next year. Have a good summer + don't work too hard.

I wish for you nothing but the very best in your future years. Make the best of your school years + don't wish for them to be behind you too fast. Good luck and see you next year

Love  
Bernice Edm.
